- (b) RPL eligibles may register and receive placement priority for positions for which they are qualified and that:
- (1) Have a representative rate no higher than the position from which they were, or will be, separated unless the eligible was demoted as a tenure group I or II employee in a previous RIF. If the eligible was so demoted, the eligible can register for positions with a representative rate up to the representative rate of the position held on a permanent appointment immediately before the RIF demotion was effective;
- (2) Have no greater promotion potential than the position from which they were, or will be, separated; and
- (3) Have the same type of work schedule as the position from which they were, or will be, separated.

§330.207 Registration area.

- (a) Except as provided in paragraphs (b) through (e) of this section, RPL registration is limited to the local commuting area in which the eligible was, or will be, separated.
- (b) If the agency has, or will have, no competitive service positions remaining in the local commuting area from which the RPL eligible will be separated under part 351 of this chapter, the agency may designate a different local commuting area where there are continuing positions for the RPL eligible to exercise placement priority. The agency has sole discretion over whether to offer this option and which local commuting area to designate, taking into consideration the size and locations of its workforce, available vacancies, and available funds.
- (c) If the RPL eligible agreed to transfer with his or her function under part 351 of this chapter but will be separated by RIF from the gaining competitive area, registration is limited to the RPL covering the gaining competitive area's local commuting area.
- (d) For an individual who is eligible under §330.203(b), registration is initially limited to the RPL covering the local commuting area of the position from which the employee was separated. The agency must establish a fair and consistent policy that permits RPL eligibles to expand their registration to available local commuting areas mutually acceptable to the RPL

- eligible and the agency, up to agency-wide as required by 5 U.S.C. 8151. (For example, an agency could consider the number and location(s) of its positions and funding availability when establishing its policies on expanding consideration.) In lieu of expanded registration, the agency policy may provide for the RPL eligible to elect to receive placement priority for the next best available position in the former local commuting area.
- (e) If the RPL eligible was, or will be, separated from an overseas position (see part 301 of this chapter), RPL registration is limited to the local commuting area in which the eligible was, or will be, separated, unless:
- (1) The agency approves a written request by the RPL eligible for registration in the local commuting area from which employed for overseas service, or in another area within the United States that is mutually acceptable to the eligible and the agency; or
- (2) The agency has a formal program for rotating employees between overseas areas and the United States, and the RPL eligible's preceding and prospective overseas service would exceed the maximum duration of an overseas duty tour in the rotation program. In this case, the eligible may register for a local commuting area within the United States that is mutually acceptable to the eligible and the agency.

§330.208 Duration of RPL registration.

- (a) RPL registration expires 2 years from the date of reduction in force separation under part 351 of this chapter, or 2 years from the date the agency registers the RPL eligible because of recovery from a compensable work injury under §330.206(a)(3)(i) or (ii). An RPL eligible remains registered for the full 2-year period unless the registrant is removed from the RPL for a reason specified in §330.209.
- (b)(1) OPM may extend the registration period when an RPL eligible does not receive a full 2 years of placement priority, for example, because of an agency's administrative or procedural error
- (2) Either the agency or the RPL eligible may request OPM to extend the registration period under paragraph (b)(1) of this section. The request must

§ 330.209

describe the administrative or procedural error that caused the RPL eligible to be registered for less than the full 2-year period. OPM may request additional information either from the agency or the RPL eligible in connection with any such request. OPM with notify both the agency and the RPL eligible of the decision to approve or deny an extension request. OPM's decision regarding an extension request is not subject to appeal under §330.214.

§ 330.209 Removal from an RPL.

- (a) An RPL registrant is removed from the RPL at all registered grades or pay levels if the registrant:
- (1) Declines or fails to reply to the agency's inquiry about an RPL offer of a career, career-conditional, or excepted appointment without time limit for a position having the same type of work schedule and a representative rate at least as high as the position from which the registrant was, or will be, separated:
- (2) Receives a written cancellation, rescission, or modification to:
- (i) The RIF separation notice or Certification of Expected Separation so that the employee no longer meets the conditions for RPL eligibility in §330.203(a); or
- (ii) The notification of cessation of injury compensation benefits so that injury compensation benefits continue;
- (3) Separates from the agency for any other reason (such as retirement, resignation, or transfer) before the RIF separation effective date. Registration continues if the RPL registrant retires on or after the RIF separation effective date. This paragraph does not apply to an RPL registrant under §330.203(b);
- (4) Requests the agency to remove his or her name from the RPL;
- (5) Is placed in a position without time limit at any grade or pay level within the agency;
- (6) Is placed in a position under a career, career-conditional, or excepted appointment without time limit at any grade or pay level in any agency; or
- (7) Leaves the area covered by an overseas RPL (see 5 CFR part 301) or is ineligible for continued overseas employment because of previous service or residence.

- (b) An RPL registrant is removed from the RPL at registered grades or pay levels with a representative rate at and below the representative rate of a position offered by the agency if the offered position is below the last grade or pay level held and the registrant:
- (1) Declines or fails to reply to the agency's inquiry about an RPL offer of a career, career-conditional, or excepted appointment without time limit for a position meeting the acceptable conditions shown on the RPL registrant's application; or
- (2) Declines or fails to appear for a scheduled interview.
- (c) An RPL registrant removed from the RPL under paragraph (b) of this section at lower grades or pay levels than the last grade or pay level held remains on the RPL for positions with a representative rate higher than the offered position up to the grade or pay level last held, unless registration expires or otherwise terminates.
- (d) Declination of time-limited employment does not affect RPL eligibility.

§ 330.210 Applying RPL placement priority.

- (a) RPL placement priority applies to:
- (1) Permanent and time-limited positions to be filled by competitive service appointment; and
- (2) The grade or pay level at which the agency fills the position. If a position is available at multiple grades or pay levels, placement priority applies at the grade or pay level at which the position is ultimately filled.
- (b) An agency must not effect a permanent or time-limited competitive service appointment of another individual if there is an RPL placement priority candidate registered for the vacancy, unless the action is listed as an exception in §330.211.
- (c) An agency must document that there are no RPL placement priority candidates for the vacancy when requesting a competitive certificate of eligibles under part 332 of this chapter. Similarly, an agency must offer the vacancy to any RPL placement priority
